9.05.030 Installation, maintenance, calibration and readings.

- (a) All water meters, submeters required by the Town, and remote reading devices shall be furnished and installed by the Town at the expense of the owner of the premises served; and the Town shall retain ownership of such meters, submeters and remote readers. The Town shall perform all necessary maintenance and/or repair of meters, submeters and remote readers, including replacement thereof; provided, however, that the owner of the premises served shall be responsible for protecting the meters, submeters and remote readers against freezing and damage.

9.05.040 Installation and location of metering facilities.

- (a) The owner or developer of each premises served or to be served by the water supply system of the Town shall provide and install sufficient and proper meter loops and other necessary facilities for the installation of a water meter. Such facilities shall be provided and installed at the expense of such owner or developer and in accordance with all applicable ordinances and rules and regulations of the Town. No meter shall be installed until such facilities have been inspected and approved by the Town.
