

Town Tidbits

In efforts to become more readily available to our citizens, The Town of Collbran has recently implemented TextMyGov.

TextMyGov is a software service that allows, you, our residents, to opt in to receive Town related alerts, as desired. TextMyGov is also another way to communicate your needs to Town Hall and Public Works staff via text and/or picture, rather than always having to call. Opt in through Text or visit our website to interact with the TextMyGov widget at townofcollbran.colorado.gov

Please be aware that if staff response is required, responses will be made **ONLY** during normal business hours.

- For Events Notifications, text "COLLBRANEVENTS" to 91896

Auditorium Update!

The Asbestos Abatement team have completed their work in the Auditorium. It is **INCREDIBLE** to see the original barell trusses exposed! The construction teams are scheduled to start renovations in the next few weeks! Tours of the Auditorium are available by request to Town Hall until renovations start.
